***) A hybrid journal is open to authors who wish to publish in Open Access. Also, articles with an eligible author affiliation shall be styled and published in OA. The journal as such is not a full OA journal. As a result, the copyright of such title is Brill's. Most Brill journals are hybrid journals.

*) In a limited number of cases, the front matter may consist of more than 4 pages. The (legal) disclaimer block shall be placed on the last page of the Volume prelims, which ought to be an even, Roman numbered page.
